

Nouns

Definition:

person, place, thing, idea

Proof:

a _____, the _____, some
_____s

Ex:

(a brother, the brother, some brothers)
My brother swims well.

PRACTICE THE CONVERSATION:

A: Will you read the sentence, please?

B: *My brother swims well.*

A: Good. Is there a noun in this sentence?

B: *Brother* is a noun.

A: Hmm, I'm not so sure.

B: It is!

A: I don't think so. Can you prove it?

B: A brother, the brother, some brothers.

A: You're right! *Brother* is a noun. And you can use this proof any time you want to check to see if a word is a noun.
