

## November 12

(I stole, you stole, he stole)

My sister **stole** my shoe yesterday in Target and she wouldn't **give** it back to me.

(I give, you give, he gives)

(I grabbed, you grabbed, he grabbed) (I pulled, you pulled, he pulled)

I **grabbed** her neck and **pulled** on her neck and ripped her shirt. She literally

(I had, you had, he had)

(I left, you left, he left)

**had** red marks on her neck when we **left**. Gosh. And my mom was just standing

there looking at dog shampoo!
