

# FRAYER MODEL GRAPHIC ORGANIZER

The diagram is a Frayer Model Graphic Organizer. It features a central circle with four rectangular boxes extending from its top, bottom, left, and right sides. Each box is labeled with a specific category: 'Definition in your own words:' (top-left), 'Equations:' (top-right), 'Visual Representation:' (bottom-left), and 'Applications:' (bottom-right). The boxes are empty, intended for student input.
