What are your process goals for this year/term? Which are your top one to three? <i>Process</i> goals address our actions to achieve impact goals. Examples include participation and satisfaction with PD, number of positive phone calls home, number of formative assessment opportunities provided, number of staff gaining specific PD content, and the like.				
Considering these goals, what data do we need?				
Note any data access and availability questions/issues for follow-up:				
Please take a few minutes to notice emotions or mindsets that come up related to working with these goals and data. What do you notice? What ideas, questions, or assumptions do you have about the mindsets and emotions others may bring?
