

THE HOBBIES AND ACTIVITIES WE LOVE

Everyone in our class has their own favorite hobbies and activities: art, collectibles, indoor games, and outdoor games. We want to teach each other and learn about these hobbies. One option is to purchase supplies so that every student in our class can try out every hobby. Each student would get one of each set, packet, game, or box from the categories below. There are 24 students in our class. When the order arrives, how many total pieces for each set should we receive?

<p>Art</p> <p>Playdough (6 cans per set)</p> <p>Scented markers (8 markers per box)</p>	<p>Indoor Games</p> <p>Board game (2 dice and 5 game pieces per game)</p> <p>Video game (4 controllers per system)</p>
<p>Collectibles</p> <p>Pokémon cards (5 or 10 cards per packet)</p> <p>Lego figurines (3 figurines per set)</p>	<p>Outdoor Games</p> <p>Kickball (4 bases and 1 ball per set)</p> <p>Corn hole (8 bags and 2 boards per set)</p>
