

Example End-of-Year Survey Questions

This year, you received a beginning of the year overview of what your child will be learning in math, letters before each unit was taught showing you the math your child will learn, and weekly letters about what to expect each week and how to help at home. Please reflect on the year to answer these survey questions.

1. What about my communication about math this year did you find most helpful?

(Check one.)

- ☐ Beginning of the year overview
- ☐ Unit preview letters before each unit is taught
- ☐ Weekly letters before each week's content is taught
- ☐ Information on supporting your child in math
- ☐ It was all helpful
- ☐ Other: _____

2. What about my communication about math this year did you find least helpful?

(Check one.)

- ☐ Beginning of the year overview
- ☐ Unit preview letters before each unit is taught
- ☐ Weekly letters before each week's content is taught
- ☐ Information on supporting your child in math
- ☐ It was all helpful
- ☐ Other: _____

3. Which communication types do you hope your child's teacher next year uses to communicate about math? (Check all that apply.)

- ☐ Beginning of the year overview
- ☐ Unit preview letters before each unit is taught
- ☐ Weekly letters before each week's content is taught
- ☐ Information on supporting your child in math
- ☐ Other: _____
