

Family Math Night Donation Letter

Sample adapted from Aly Martinez's Donation Letter

Can You Help Us Bring the Joy of Math Learning to [Number of Students] Students and Families?

Now is your chance to give back to your community by donating to [Name of School]'s Family Math Night!

We would like to work in partnership with community members and local businesses who are interested in supporting mathematics education. Your donation will allow students and their families to engage in **fun and educational** games that they can then take home to continue learning and growing. Help our families deepen their understanding of the math their children are learning and learn ways they can support math learning at home.

Our Family Math Night will take place on [date, time, location].
