Questions for Interpreting Visual Text

- 1. What do you see? How do you "read" the text?
- 2. What is the purpose of the visual?
- 3. What more do you need to know to fully understand the message of the text?
- 4. How could you find out what you need to know?
- 5. Is the source credible? How do you know?
- 6. Whose viewpoint is not represented?
- 7. Do you agree with the author's point? Why or why not?
- 8. How would you change the text to make it more understandable?
- 9. How would you summarize the information in the text?
- 10. Who would be most interested in the information presented in the text? Why?
