

CHART 5.3

PLANNING FOR CULTURAL REPRESENTATION OF DEMONSTRATION TEXTS

Genre/Demonstration Text: Notes: <ul style="list-style-type: none">– Will demonstrate how to introduce a genre (research paper)– Will demonstrate how to zoom in on specific skills, such as building context, parenthetical citations, directly quoted evidence, writing a hook to grab the reader’s attention, etc.	
Guiding Questions: <i>When answering each question, consider race, language and dialect, family structure, gender, religion, ability, class, and nationality.</i>	Space to Plan: <i>Include plans to ensure authenticity and representation (consider illustrations, content, and language).</i>
<i>Who</i> will be featured in demonstration texts used during this genre study?	
<i>What</i> topics will be featured in demonstration texts used during this genre study?	
<i>Where:</i> What settings will the demonstration texts represent?
