Word Study That Sticks & The Word Study That Sticks Companion

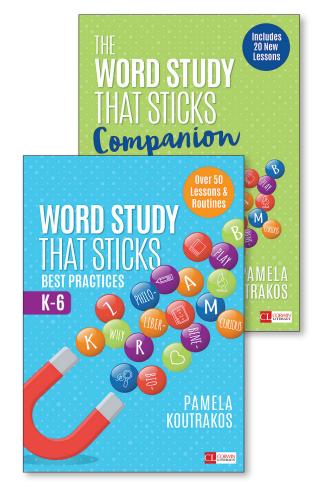

Pamela Koutrakos

Take word learning to the next level in your classroom

In Word Study That Sticks, teacher and literacy consultant Pamela Koutrakos provides a step-by-step approach that makes word learning jubilant and fun—and encourages students to take ownership of word learning. The Word Study That Sticks Companion offers tools and resources to help teachers put those structures, lessons, and routines into action.

These books connect research with experience to deliver challenging, discovery-based instructional practices that can support all learners in any subject area. You'll learn how to:

- Instill curiosity and a self-starting attitude toward vocabulary development
- Devise routines that highlight phonemic awareness, phonics, meaning, and spelling
- Differentiate and personalize word study activities
- Embed word study into all content areas for transfer of learning
