Designed to be used collaboratively in grade-level, subject area teams—or even on your own—the step-by-step playbook expands teacher understanding of how success criteria can be utilized to maximize student learning and better engage learners in monitoring and evaluating their own progress. Each module is designed to support the creation and immediate implementation of high-quality, high impact success criteria and includes:

- Templates that allow for guided and independent study for teachers.
- Extensive STEM-focused examples from across the K-12 STEM curriculum to guide teacher learning and practice.
