

Create meaningful K-5 STEAM learning experiences for every student

Step Into STEAM, Grades K-5

Your Standards-Based Action Plan for Deepening Mathematics and Science Learning

Sarah B. Bush, Kristin L. Cook

Make the most of your limited instructional time and become part of the *Step into STEAM* movement! Seamlessly design and implement K-5 STEAM inquiries that align carefully to key mathematics and science content and practices and prepare elementary students for their bright futures. Taking an opposite approach to existing resources that provide collections of disjointed STEAM activities, this book empowers teachers and schools to build cohesive and sustainable STEAM infrastructures—grounded in grade-level standards and purposeful assessment—to deepen the mathematics and science learning of each and every student.

\$32.95, 224 pages, 9781544337203

“Through carefully crafted research-based frameworks; inspirational, authentic, and approachable practical strategies rooted in the reform efforts of student-centered STEAM learning; and opportunities for professional self-reflection, Step into STEAM rightfully re-elevates educators to their proper places as innovation experts and agents of change in their own classrooms, schools, districts, and communities.”

—Richard Cox Jr., Expert STEAM Teacher, Instructional Coach,
Bullitt County Public Schools
