Owning Up

Empowering Adolescents to Create Cultures of Dignity and Confront Social Cruelty and Injustice

THIRD EDITION

Rosalind Wiseman

Owning Up has helped teachers, counselors, and leaders give students the tools they need to own up and take responsibility—as perpetrators, bystanders, and targets—for unethical behavior and to treat themselves and others with dignity. This bigger, comprehensive edition features:

- Three flexible, dynamic curricula separated by grade
- A new chapter on successfully implementing a social and emotional learning program in every school
- More games, role-playing activities, and provocative discussion questions to use in co-ed or single-sex groups
- Even more lessons and updated resources

Designed for use both in school and out, *Owning Up* helps prevent many of the common issues young people face and promotes friendships in these critical years. As educators, we must enlist the people who can make a real difference: the students.

\$49.95, 488 pages, ISBN:9781071814581

*Discount valid only until publication

Praise for the Second Edition

*"The *Owning Up* curriculum provides a relevant, current, and kid-friendly framework that uses students' language to teach them social justice. It is dynamic and engaging and my students are excited to come each week to learn more strategies to make the middle years easier."*

—Katey McPherson,
Secondary Administrator, Gilbert, AZ and
Executive Director, The Gurian Institute
