3. SOCIAL AWARENESS

Strengths of MLs in Social Awareness I have noticed in my context	Needs of MLs in Social Awareness I have noticed in my context
My strengths in Social Awareness that will help me integrate this competency into instruction	My needs in Social Awareness that may impact how I integrate this competency into instruction

4. RELATIONSHIP SKILLS

Strengths of MLs in Relationship Skills I have noticed in my context	Needs of MLs in Relationship Skills I have noticed in my context
My strengths in Relationship Skills that will help me integrate this competency into instruction	My needs in Relationship Skills that may impact how I integrate this competency into instruction

5. RESPONSIBLE DECISION-MAKING

Strengths of MLs in Responsible Decision-Making

I have noticed in my context

Needs of MLs in Responsible Decision-Making

I have noticed in my context

My strengths in Responsible Decision-Making that will help me integrate this competency into instruction

My needs in Responsible Decision-Making that may impact how I integrate this competency into instruction

Reflection Questions:

1. What **themes** did you notice regarding strengths and needs of MLs as you reflected on the SEL competencies?

2. How will the ML Considerations impact your work with SEL for MLs?

3. What are you still wondering about in terms of SEL for MLs?
