FIGURE 2.8 ● Occupations Observation/Conference Checklist

Content Learning Intention: We are learning about jobs in our community.

Language Learning Intention: We are learning the specific words needed to do the jobs in our community.

Social Learning Intention: We are learning to cooperate.

Success Criteria:

- We can use the clothing, tools, vehicles, and buildings of jobs in our community to do work.
- We can work in different businesses and work together.
- We can make, do, and reflect on a work plan with friends.

Questions:

- What are you doing?
- How does the clothing/tool/vehicle help you?
- How could you help (work with) _____?
- How do you know?
- What could happen if …?
- Where do you …?
