

Figure 4.6

Plan for Revising Inquiry Project

.....

Name(s):

Date:

Has your topic changed since our initial conference? If so, when and why?	
Has your research question changed since our initial conference? If so, what is it now? Why did you change it?	
What evidence, data, or information have you collected that may have influenced the change?	
What more do you need to learn to complete the project?	
How do you plan to find what you need?	
How are you managing your time to ensure that your project is complete by the deadline?	
Has your method of presentation to your group of the class changed? If so, how will you present your findings?
