

FIGURE 4.9 • Observation/Conference Chart

Dates: _____

Content Learning Intention: We are learning stories can have similar characters and story structures.

Language Learning Intention: We are learning the language of Anansi story telling.

Social Learning Intention: We are learning about ways to share our reading and writing with peers.

Success Criteria:

- I can compare stories by saying “I notice” and “I wonder.”
- I can use what I know about characters and story structures to make predictions.
- I can create my own variations with similar characters and story structures.
