

FIGURE 6.3 ● Survey Prompts to Gather Student Feedback on Distance Learning

What is your grade level?	
Which school do you attend?	
What activities given by your teacher helped you learn the most during distance learning?	
What type of activities did you need the most help with?	
How did you get help when you needed it?	
Describe your experience working with other students online.	
What type of training do you wish you received more to prepare you for distance learning?	
Did you learn better with distance learning or when you were learning in the classroom? Why?	
What are some aspects of using computers for learning that you would like to continue using in the classroom?	
Which educational computer programs or apps helped you learn the most? Why?	
Describe how you worked with other students on learning projects during distance learning.	
What computer skills do you have that you can help your classmates with?	
What recommendation would you give to your teacher about using computers in the classroom?
