## FIGURE 8.3 Student Reflection Questions for Student-Led Conferences

| Name:   |             |                | Class:          |               |  |
|---|-------------|----------------|-----------------|---------------|--|
| After your SLC, think and write   | about hov   | v your confere | ence went.      |               |  |
| 1. What went well? What I am  | proud of?   |                |                 |               |  |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
| 2. What do I want to improve  | on for next | : time?        |                 |               |  |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
|   |             | 1 . 1          | 5. d            |               |  |
| 3. Look at your goal sheet. Ho  | w do you t  | think you will | monitor these   | e prior to yo | our next conference?                               |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
|   |             |                |                 |               |  |
| HOW DID YOUR SLC<br>GO? IN THE SELF-<br>ASSESSMENT BELOW,<br>CHECK THE BOXES<br>WHERE YOU MET | wow         | GOT IT         | NEARLY<br>THERE | OOPS          | EXPLAIN WHY<br>YOU GAVE<br>YOURSELF THE<br>RATING. |
| Career and Life Skills  |             |                |                 |               |  |
| Managed my time to complete work  |             |                |                 |               |  |
| <ul><li>I included all parts of my<br/>SLC project.</li></ul>                                 |             |                |                 |               |  |
| ☐ I asked for help when I<br>needed it.   |             |                |                 |               |  |

| HOW DID YOUR SLC<br>GO? IN THE SELF-<br>ASSESSMENT BELOW,<br>CHECK THE BOXES<br>WHERE YOU MET       | wow       | GOT IT | NEARLY<br>THERE | OOPS | EXPLAIN WHY<br>YOU GAVE<br>YOURSELF THE<br>RATING. |
|---|-----------|--------|-----------------|------|--|
| Communicated Clearly  I spoke proudly.  I did not read from cards.  I practiced beforehand.         |           |        |                 |      |  |
| Sense of Purpose, Sense of Se   | elf       |        |                 |      |  |
| Designed my future  I identified all my goals (personal and class).  Used self-reflection           |           |        |                 |      |  |
| <ul><li>I identified what challenges I faced.</li><li>I identified successes in my goals.</li></ul> |           |        |                 |      |  |
| Creativity  |           |        |                 |      |  |
| Risk taking  I made choices about what work to share.  I took risks to be my best.                  |           |        |                 |      |  |
| Leadership Empathy and Coll   | aboration |        |                 |      |  |
| Working collaboratively with others  I gave and received  |           |        |                 |      |  |
| feedback by practicing with a classmate before my conference.                                       |           |        |                 |      |  |
| Global, Local, and Digital Idea   | ntity     |        |                 |      |  |
| Inclusivity  I thought about how I can connect with people who are different from me.               |           |        |                 |      |  |
| Multilingualism   |           |        |                 |      |  |
| <ul><li>I said why I did my<br/>presentation in the<br/>language that I chose.</li></ul>            |           |        |                 |      |  |
| Digital   |           |        |                 |      |  |
| <ul> <li>I talked about how I use<br/>technology as part of my<br/>learning.</li> </ul>             |           |        |                 |      |  |
| Content Knowledge   |           |        |                 |      |  |
| Think critically  I thought critically about my work this year.                                     |           |        |                 |      |  |
