

True Equation and Inequality Quest

Directions: Roll two die or turn 2 digit cards and fill in the equations to make them true. Be the first to make all the equations true.

Player name:

$$2 \div \square.\square < 2$$

$$2 \div \square.\square > 2$$

$$2 \div \square.\square = 2$$

$$2 \times \square.\square < 2$$

$$2 \times \square.\square > 2$$

$$2 \times \square.\square = 2$$

True Equation and Inequality Quest

Directions: Roll two die or turn 2 digit cards and fill in the equations to make them true. Be the first to make all the equations true.

Player name:

$$2 \div \square.\square < 2$$

$$2 \div \square.\square > 2$$

$$2 \div \square.\square = 2$$

$$2 \times \square.\square < 2$$

$$2 \times \square.\square > 2$$

$$2 \times \square.\square = 2$$

True Equation and Inequality Quest

Directions: Roll two die or turn 2 digit cards and fill in the equations to make them true. Be the first to make all the equations true.

Player name:

$$2 \div \text{---} < 2$$

$$2 \div \text{---} > 2$$

$$2 \div \text{---} = 2$$

$$2 \times \text{---} < 2$$

$$2 \times \text{---} > 2$$

$$2 \times \text{---} = 2$$
