Detailed plans for helping elementary students experience deep mathematical learning

Do you work tirelessly to make your math lessons meaningful, challenging, accessible, and engaging? Do you spend hours you don't have searching for, adapting, and creating tasks to provide rich experiences for your students that supplement your mathematics curriculum? **Help has arrived!**

These ready-to-implement, engaging tasks connect skills, concepts and practices, while encouraging students to reason, problem-solve, discuss, explore multiple solution pathways, connect multiple representations, and justify their thinking.

“Let’s make the ‘next normal’ a ‘better normal’
—Douglas Fisher, Nancy Frey, Dominique Smith & John Hattie”

For more than a year now, we educators have been tested and tested again. We’ve been stretched, we’ve been pulled, we’ve been put through the wringer. But now it’s time to “rebound.” It’s time to bounce back, come back better, and benefit from the many lessons learned to reignite engagement, accelerate learning, and move forward with fresh optimism and better systems for schooling.

Equity, Diversity & ELL

Be a part of the radical transformation to honor and respect Beautiful Brilliant Black Girls!

This book is a collective call to action for educational justice and fairness for all Black Girls—Beautiful, Brilliant. This edited volume focuses on transforming how Black Girls are understood, respected, and taught. Editors and authors intentionally present the harrowing experiences Black Girls endure and provide readers with an understanding of Black Girls' beauty, talents, and brilliance.

This book calls willing and knowledgeable educators to disrupt and transform their learning spaces by presenting:

- Detailed chapters rooted in scholarship, lived experiences, and practice
- Activities, recommendations, shorter personal narratives, and poetry honoring Black Girls
- Resources centering Black female protagonists
- Companion videos illustrating first-hand experiences of Black Girls and women
- Tools in authentically connecting with Black Girls so they can do more than survive – they can thrive.
