## Courageous Conversations About Race

Glenn E. Singleton

\$36.95, 9781071847121  
312 pages, August 2021

Schools, like all organizations, face a nearly insurmountable hurdle when addressing racial inequities—the inability to talk candidly about race. In this timely update, author Glenn Singleton enables you to break the silence and open an authentic dialogue that forges a path to progress for racial equity. The third edition offers new coverage of the structural inequities in schools and society that have been exposed by the pandemic as well as heightened public awareness of racial injustice.

*Courageous Conversations about Race* allows you to deepen your personal understanding of race and its impact on all students. This guide empowers you with practical tools and insights to successfully challenge racist policies and practice in schools and beyond. It is your call to leadership—one that will impact student achievement and drive systemic transformation.

## Rebellious Read Alouds Vera Ahiyya

\$27.95, 9781071844144  
192 pages, March 2022

Spark meaningful conversations about race, identity, and social justice in your classroom using read alouds as an entry point. Students need to see themselves and their peers in the books they read, and to engage with varying viewpoints. How can educators create a safe and nurturing space that inspires young children to explore diversity and ask curious questions?

In *Rebellious Read Alouds*, author Vera Ahiyya—beloved by educators worldwide as The Tutu Teacher (@thetututeacher and @diversereads on Instagram)—empowers teachers to encourage classroom conversations about important and culturally relevant topics using daily read alouds as an entry point.
