Fostering Dialogue

is about

thinking together with others

because of → **reasons**
- Practical
- Moral

recognizing that → **assumptions**
- Limit our ability to see
- Are difficult to give up

by balancing → **advocacy**
- Consider others' thoughts and feelings
- Clarify the meaning of words and concepts
- Provide contextual information
- Identify false assumptions
- Use stories

inquiry
- Be humble
- Listen with empathy
- Open ourselves to new ideas
- Surface and suspend assumptions
