## Engage Every Family 5 Simple Principles

Second Edition (Revised Edition)

Steven M. Constantino

Why haven't we been more successful in engaging every family in the educational lives of their children? Why do we still struggle with the notion of engaging every family as a conduit to improved student learning? This book outlines a pathway and process to engage every family, including those families that have been traditionally disengaged or disenfranchised. Updates to this second edition include updated research to ensure a firmer foundation for each of its five simple principles as well as:

- Reflections about implicit bias, equitable learning outcomes, and the role family engagement plays
- A deeper dive into the idea of family efficacy, or empowering families to work alongside teachers for improved learning
- A nuanced switch from building to *developing* relationships, and how trust is at the core of that subtle difference

Join Dr. Steve Constantino as he shares what he has learned and how he has improved the Five Simple Principles for family engagement and its powerful effects upon student achievement.
