The Distance Learning Playbook for School Leaders

Effective school leadership is effective leadership, regardless of where it occurs

Douglas Fisher, Nancy Frey, Dominique Smith, John Hattie

Harnessing the insights and experience of renowned educators Douglas Fisher, Nancy Frey, and John Hattie, *The Distance Learning Playbook for School Leaders* applies the wisdom and evidence of the VISIBLE LEARNING® research to understand what works best. This comprehensive playbook details the research- and evidence-based strategies school leaders can mobilize to lead the delivery of high-impact learning in an online, virtual, and distributed environment. This powerful guide includes:

- Actionable insights and hands-on steps for each module to help school leaders realize the evidence-based leadership practices that result in meaningful learning in a distance environment
- Analysis of the mindsets that empower leaders to manage change, rather than technology
- Space to write and reflect on current practices and plan future leadership strategies

The Distance Learning Playbook for School Leaders is the essential hands-on guide to leading school and school systems from a distance and delivering on the promise of equitable, quality learning experiences for students.
