Skillful leadership is critical as schools return to a new normalcy. Improving students' learning and addressing the challenges many learners experienced due to recent learning interruptions are top priorities for all school leaders.

**Aiming High** offers leaders a framework for creating an environment where both effective instruction and a focus on social and emotional needs benefits all students and teachers. Evan Robb maps a route to building a positive, trusting culture of collaboration, creativity, and empowerment. Features include

- An outline of the leadership elements required to build a learner-focused culture
- Tools for fostering productive collaboration, creating shared teacher leadership, and building trusting relationships
- Insightful tips for addressing complexities that come with new learning formats
- Provocative questions that guide readers toward redefining instructional leadership

Your mission as leader is clear: aim high, work intentionally and collaboratively with teachers, and create a refreshed school culture centered on learning and growth for all.
