

Lesson 2: Bloom Where You're Planted

1. What are your creative gifts and strengths? How do these gifts help you thrive wherever you are?
2. Have you ever had a crisis in your teaching career that you had to overcome? Explain.
3. Share a time in your life when it was better to stay than move on. What was the silver lining to staying put?
4. What is your advice for teachers who are teaching in less than ideal situations?
5. How do students respond and grow when they see their teacher handling tough challenges?
