## FAMILY FACEMASK USE LOG

Keep track of your family's facemask use this week by writing down each member's name. If someone disposes a mask, write the number 1 under that day of the week. At the end of the week, find the sum for each person and then add up the total number of masks disposed on the bottom right.

Name	Mon	Tues	Wed	Thurs	Fri	Sat	Sun	Sum

Total number of masks disposed this week =

## Directions for Labeling

1. Label each mask you and your family member have in order to track the use and disposal of the masks. For example, if a person named Ho-Chieh Lin used his first mask for the first time, write down HCL-M1-1 to represent his <name initials> and <masks one l> and <times of use>. If he used the same mask for the second time on a different day, write down HCL-M1-2. If he used his second mask for the first time, write down HCL-M2-1.
2. This system enables you to track the use of different types of masks that are used multiple times before disposal.
3. Check with yourself and your family members on a daily basis.
4. Sum up the use of masks at the end of the week.

Facemask Use Log (labeling example)

Name	Mon	Tues	Wed	Thurs	Fri	Sat	Sun	Sum
Ho-Chieh Lin	HCL-M1-1	HCL-M2-1			HCL-M1-2		HCL-M2-2	used 2 masks
Joanne Vakil		JV-M1-1	JV-M2-1	JV-M3-1	JV-M4-1	JV-M5-1	JV-M6-1	used 6 masks
