

FIGURE 3.4 “I Am Poem” by Sebastian (Grade 7)

**I Am Poem**

**I am**

A son

An older brother

A dog owner

A soccer player

Colombian

Venezuelan

Respectful

Impatient

From seeing family

From a family of dentists

Someone who doesn't want to be a dentist

**I am Not**

Boring

Disrespectful

An actor

A liar (I couldn't be even if I wanted to)

**I Came from**

Colombia and Venezuela

Early-in-the-morning Brookline Rec soccer games

**I Dream**

One day there will be no more climate change

No more hatred

That 80,000 people will be cheering my name when I score the game winning goal  
in the World Cup

**I fear**

Some problems, it is to solve them

My parents will get COVID-19

My grandma will get COVID-19, and not make it through

**I Hope**

To live a life of no regret  
For the COVID-19 pandemic to be over  
To go more days to school  
For no more mask wearing

**I love**

My family  
My *true* friends  
Soccer  
Colombia  
Venezuela  
Home  
School (in person school)  
Going to Stowe  
Visiting family
