The Pedagogy of Real Talk

Engaging, Teaching, and Connecting
With Students At-Promise

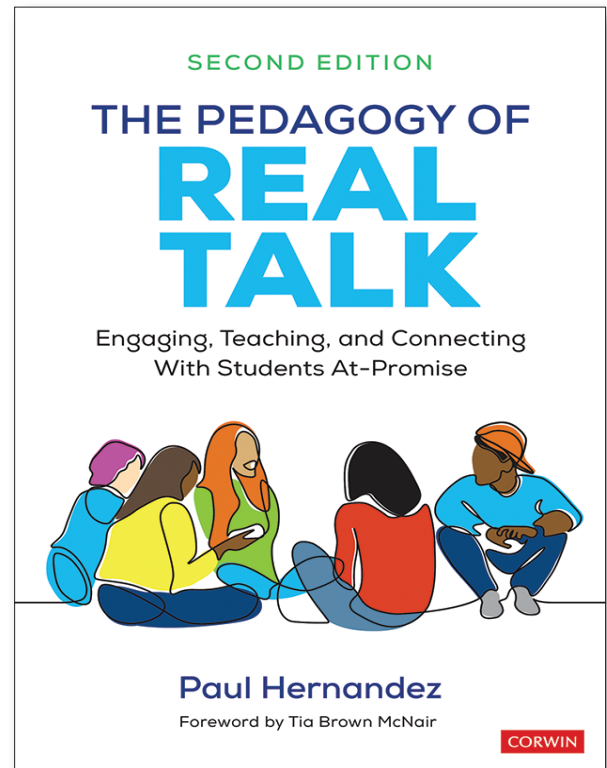

SECOND EDITION

Paul Hernandez

To reach students who may see school as an obstacle rather than an opportunity, connection and trust must come first. Paul Hernandez, a former at-risk student, is now a nationally recognized, award-winning educator and trainer. His Real Talk is a practical methodology that helps education professionals build rapport with students at-promise while creating learning experiences that are relevant—and life-changing.

This updated and expanded second edition of a bestseller provides an intensive, robust experience enabling teachers to create and implement connections with their teaching. You will:

- Develop an understanding of the education research and theories that underlie the Real Talk approach
- Learn the how-to's for implementing Real Talk with any group of learners
- Benefit from diverse and unique case studies, applications, and lessons learned
