## The PLC+ Activator's Guide

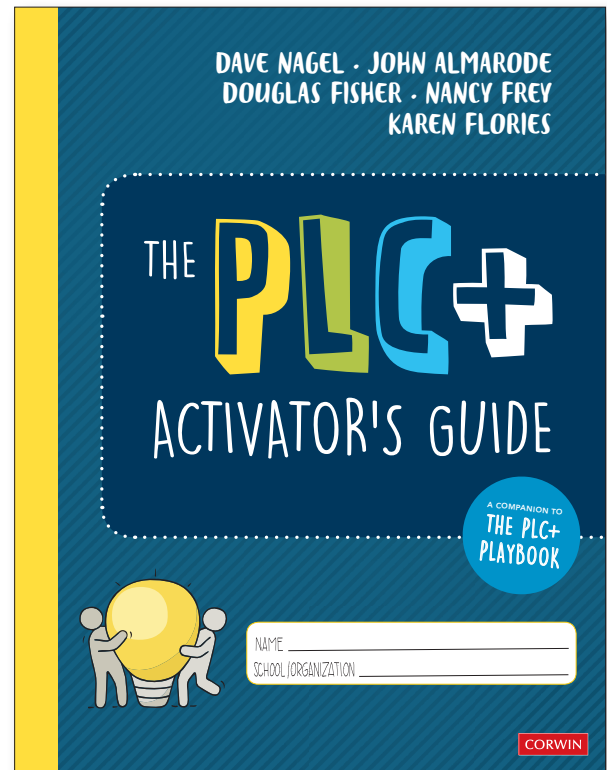

### Keeping Professional Learning Communities Focused on Goals

David Nagel, John Almarode, Douglas Fisher, Nancy Frey, Karen Flories

High functioning professional learning communities don't happen by chance. They require deliberate efforts and structures to ensure efficiency and focus, and to ignite action. *The PLC+ Activator's Guide* offers a practical approach and real-life examples that show activators what to expect and how to navigate the PLC team on a successful and collective journey. Readers will find:

- Templates to help activators prepare for meetings
- Approaches for fostering and nurturing collaboration
- Vignettes from real schools that are implementing PLC+
- Solutions for addressing barriers that often arise in PLC+ teams

Activators will find this an essential guide to keeping PLC+ team discussions goal-focused and the work centered on building the collective efficacy of the team.
