## The On-Your-Feet Guide to Understanding PLC+

Douglas Fisher, Nancy Frey, John Almarode, Dave Nagel, Karen Flories

This guide provides a quick reference for developing strong and effective PLCs through the “plus”: YOU. Supporting you, as a teacher, is the goal—as you build your individual and collective efficacy, hold high expectations for all students, ensure equity, and ultimately guide learning for students and for your colleagues.

The Understanding PLC+ On-Your-Feet Guide

- Key goals for the next generation of PLCs includes:
- The 5 essential questions of the PLC+ framework
- The 4 cross-cutting values of PLC+
- Self-assessment of your current PLC
