Adding Multimodal Communication Channels to Common Assessment

Multimodal channels of communication should be integral to and seamlessly embedded into common assessment. The following is a template for school leaders to plan and collect samples in multiple languages, with or without provisions for translanguaging, across the school year.

	AUTUMN	WINTER	SPRING
	DATE: GRADE LEVELS:	DATE: GRADE LEVELS:	DATE: GRADE LEVELS:
Student multimodal samples in English	Baseline common oral language and writing assessment Prompt or activity for oral language: Prompt or activity for writing:	Common oral language assessment Prompt or activity:	Common oral language/writing assessment Prompt or activity:
Student multimodal samples in other languages	Baseline common oral language and writing assessment Prompt or activity for oral language: Prompt or activity for writing:	Common writing assessment Prompt or activity:	Common oral language/writing assessment Prompt or activity:
