

RESOURCE 5.4 FOR MULTILINGUAL LEARNERS

How I Learn

What do you use to help you learn? How do you interpret information? Put a circle around what you *look at*. Next, put a circle around how you *move* to communicate with others. Then put a circle around what *technology* you find useful. Finally, put a circle around what you *listen to* to understand.

| WHAT YOU <i>LOOK AT</i> TO UNDERSTAND | WHAT YOU <i>MOVE</i> TO EXPRESS YOURSELF | WHICH <i>TECHNOLOGY</i> YOU USE | WHAT YOU <i>LISTEN TO</i> TO UNDERSTAND |
