

RESOURCE 7.4

A Learning System Centering on Multilingual Learners

Reread the components of a learning system that centers on multilingual learners. Then think about an action you might take to optimize the system for your school or district that involves assessment in multiple languages.

CRITICAL ELEMENT OF A LEARNING SYSTEM	APPLICATION TO ASSESSMENT IN MULTIPLE LANGUAGES
1. Learner Voice	
2. Teacher Autonomy	
3. Diverse and Shared Leadership	
4. Asset-Based Approaches	
5. Social Justice and Equity in Education
