## Ten Assessment Literacy Goals for School Leaders

Steve Chappuis, Susan M. Brookhart, Jan Chappuis

***Assessment literacy leads to improved outcomes for all***

This book guides you and your leadership team through 10 assessment literacy goals with practical content, how-to's, success indicators, and activities to extend and process learning. You will come away understanding the attributes of comprehensive and balanced assessment systems, the necessity for clear academic achievement targets, and why assessment quality is essential.

In addition to providing rubrics, processes, and practical tools that work across all grade levels and subject areas, this book shows you how to:

- Work with staff to integrate formative assessment and sound grading practices
- Use student assessment information to improve and inform instruction
- Develop assessment policies that support quality assessment practice

Advance your understanding of assessment so your teachers can accurately measure learning, practice effective formative assessment strategies, and ensure and maintain a comprehensive and balanced assessment system in your school or district.
