

## WEB RESOURCE 2: DARLING DOWNS TEMPLATE TO TRACK THE 14 PARAMETER WORK

Dear Principals,

Welcome to the first update for the **Leading Learning Collaborative Practice (LLCP)—Cohort 2 Schools**. With Term 4 fast approaching until we meet with Dr. Lyn Sharratt to share your schools' journey on how you have contextualized Putting Faces on the Data, it is important to begin your thinking about the homework tasks set at the August LLCP Phase 1 Workshops.

The purpose of this and subsequent communication will be to support you in completing the homework tasks and preparing for the school presentation required at our next LLCP Phase during Week 3 of Term 1.

**Please provide us, by Friday 8th September (Week 9, Term 3), your Leading Learning Plan (see table and homework tasks below), which details your timeline of identified homework tasks.**

### HOMEWORK TASKS: (ED STUDIO)

Task 1: Model 14 Parameter Research with staff.

Task 2: Define the school process starting with data.

Task 3: Unpack Parameters #1, #14.

Task 4: Co-construct a Data Wall with staff.

Task 5: Unpack #6, trialing at least 1 case management meeting.

Task 6: Plan for your triage strategy you will use in the last weeks of the year to ensure that all students are learning and improving.

Task 7: Prepare evidence of what worked, what didn't work, and what you would do differently next time for Phase 2, including a photo journal of your Data Wall development process.

Task 8: Complete the leadership self-assessment tool.
