Where do we need to support this student next?

What pedagogical strategies will you use?

- a. Modeled:
- b. Shared:
- c. Guided:
- d. Independent:

Application to other learning areas:

Other?

What are the next steps in support of this student?

What will be the evidence brought back to the next meeting?

How can we support you (the classroom teacher) until the next meeting?

(Continued)

(Continued)

Is there any external support that we all need?

Quick around the table: What learning have we been able to take away from working with our teacher colleague regarding this student?

Is there any current research that we all need to read?

On what date will we all return?
