

Name: _____ Date: _____

A bakery uses $2\frac{1}{2}$ cups of sugar for a cake.

The chart shows the number of cakes they make each day of the week.

Days	Cakes Made
Sunday	10
Monday	4
Tuesday	5
Wednesday	5
Thursday	6
Friday	7
Saturday	10

How many more cups of sugar do they need on Friday than on Tuesday?

Use pictures, numbers, or words to explain your thinking.
