Fence sections are 3.5 meters wide. Use the table to determine the number of sections that could be needed for perimeters of different yards.

Total Length of Fence Needed (in meters)	Number of Sections
3.5	1
7.0	2
10.5	3
17.5	
35.0	
	20
87.5	

Tell how you found the missing numbers from above.
