

Name: _____ Date: _____

Write an equation if the words describe a multiplication situation.

Write “no” if they do not describe multiplication.

- 6 boxes of toys with 3 toys in each box
- 3 pieces of candy eaten from a bag of 4 pieces
- 3 dogs have 3 bones
- 3 rows of 6 flowers
- 2 songs played then 4 songs played

Choose one of the examples above. Use pictures, numbers, or words to tell how you know it is multiplication.

Big Idea #6: Representing Multiplication • Task 6D
