## Activities, Games, and Lessons for Social Learning

### A Practical Guide

Stern Center for Language and Learning

*In these games, the prize is success in school  
—and life.*

Designed for both explicit instruction and “learning by doing,” this practical guide provides hands-on activities that are easily adapted into any curriculum and can be used in general education, special education, after-school settings, and in the home. The design of each game keeps kids engaged and motivated, while educators benefit from clear, thorough explanations that unpack the complexities of social learning. Other behind-the-scenes features include:

- Evidence-based, teacher-tested lessons
- Anecdotes and real-world examples
- Links to relevant research
- Expansion ideas for applying learned skills to broader situations
- Templates and reproducibles for easy implementation

This curated collection of activities puts social-learning theory into practice, helping even the most challenging children develop the social skills necessary for real success in school—and beyond.

**\$31.95**, 136 pages, ISBN: 9781544362458

*“Teachers know that if we want students to be able to learn, we have to build a foundation of trust. This book is one of those foundational, handy books that combines research, implementation techniques, and activities that are easy to use. Every new teacher, as well as veteran teachers, need to have this in their hands.”*
