Mindframes—your internal set of beliefs about your role as school leader—determine the high-impact leadership practices you choose to implement. A must-have resource for any educator working toward student achievement at ever-higher levels, each chapter includes:

- The most current, up-to-date findings from the Visible Learning research, including the factors from Visible Learning that support each mindframe
- Vignettes, questions, insights, and exercises to help educators clarify and refine their own mindframes

Lead your school to reform from the inside out. Cultivate these ways of thinking, and you're more likely to have major impacts on the learning lives of those students entrusted to your care.
