The Essential Blended Learning PD Planner

Where Classroom Practice Meets Distance Learning

Stepan Mekhitarian

Foreword by Michael Fullan

Drive student learning with the best of both worlds!

Distance learning, despite its myriad challenges, has spotlighted innovative instructional practices and created an opportunity to fundamentally rethink how the traditional classroom works. Transition back to school with a comprehensive PD plan that leverages the best of distance learning and classroom instruction.

In this timely book, Dr. Stepan Mekhitarian presents a new framework for a task force of teachers and leaders to establish an effective blended learning program that capitalizes on the capacity and skills teachers have built while teaching remotely.

In addition to Blended Learning for Social Justice sections, readers will find:

- Ideas for PD sessions for sharing strategies and topics with teams
- Distance Learning vs. Blended Learning sections to help transition various strategies between environments

Create a powerful learning experience for students that fosters collaboration, engagement, and rigorous learning experiences by combining instructional technology and the best of traditional classroom practice.
