

LOOKING AT:

Asking Better Questions

Use this area to record effective questions you hear during day-to-day conversation. Effective questions usually provoke thought, dialogue, or foster better conversations in other ways. Effective questions are often open and opinion questions.

Dotted lines for writing effective questions

Use this area to record ineffective questions you hear during day-to-day conversation. Ineffective questions often have obvious answers, fail to provoke thought, and usually do not foster better conversations. Ineffective questions are often closed, right/wrong questions.
