# Finding Common Ground

Use this form to look at a conversation where you either did or did not find common ground.

Briefly describe the conversation you experienced.

.....  
.....  
.....  
.....

What common denominators did you find between you and your conversation partner?

.....  
.....  
.....  
.....

Please note any words that you or your conversation partner said that created unity or division during the conversation.

.....  
.....  
.....  
.....

Did you do anything to avoid common dividers?

.....  
.....  
.....  
.....

Is there anything you should do differently to be more effective at finding common ground?
